Travel information

Download our app

Get real time information about our departures. You may even buy your return ticket with just one touch.

Search for "Flytoget" in App Store or Google Play.

Don't miss your flight back home

Even though it is nice to be in Norway, be sure to catch your flight back home. Normally the check in closes 90 minutes before international departures. If the Airport Express Train arrives at Oslo Airport more than 30 minutes later than scheduled and you miss your flight, we will arrange for a ticket for the next available flight to your destination.

Ask us on board

Need tips on what to do or where to eat in Oslo? Not quite sure how to check in at Oslo Airport? Ask us! We are happy to help with any questions you might have.
